

TRAINING CAMP

2009 SUMMER

KIRALY TEAM

Dear sport friends,

KiralyTeam invites You to participate in our 3rd pointfighter training camp. After the success of the last edition when fighters came from all over Europe (around 100 fighter) to work together as friends, this year we provide the highest level of trainings again.

Here you can...

...fight against top competitors... twice a day!

...be analysed to find your mistakes!

...have a good time and make international friends!

Best regards,

Istvan Kiraly
